

Lease Commissions

A custom Yardi Add-on by Gelbgroup Consulting

Track, calculate and pay leasing commissions from Yardi Voyager.

Lease Commissions is an extension that automates the calculations of leasing commission for commercial and residential properties.

Automated calculating, less hassle.

- › Define the calculation methodology.
- › Calculate commissions.
- › Create transactions with a few clicks.

Secure, integrated functionality.

No more manual calculations, no more Excel spreadsheets or third-party software. Commissions are calculated from source data and maintained in Voyager. Payment history is always available and tied to the tenant in Voyager.
