

Simplified payment processing between Yardi and J.P. Morgan

Integrate Yardi Property Management Software and J.P. Morgan with Gelbgroup Consulting's custom plug-in.

Streamline payments and increase efficiency.

J.P. Morgan's best-in-class customer service, scale and innovation combined with Gelbgroup Consulting's custom Yardi plug-in can save you time and money.

After a quick, straightforward setup, you can:

- Transmit a single file with multiple payment types.
- Outsource check printing so you can focus on functions core to your business.
- Send secure remittance details to your vendors.
- Expedite file formatting with ISO 20022 XML, the emerging universal language for payments.

J.P. Morgan, an industry leader.
